Go to the [IBM product announcement newsletter](#) to subscribe to software, hardware, services and withdrawal announcements. Links within the newsletter take you to announcement letters on IBM.com where you can find information about:

- New and enhanced features and benefits
- Availability, end of marketing and end of support dates,
- Product positioning
- Ordering and technical information
- Changes to Terms and Conditions

Newsletters arrive via email, typically once a week on Tuesday. Subscriptions are free and you can easily unsubscribe at any time.

#### Subscribe to eNotifications

If you buy software and/or download fixes and new versions of software you already 'own', you should subscribe to eNotifications. To set your eNotification preferences:

- [Sign in to your Passport Advantage Online Site](#). If you do not have authorization to sign in to your PAO Site, you will need to Request Access.
- Navigate to Software Download & Media Access (SDMA)
- Select 'Preferences' to set or change your preferred product list and download method
- Click 'YES' to subscribe to eNotifications. Choose your preferred language and email frequency (weekly, monthly or twice monthly).

Note: you will only receive emails when software matching your preferred product settings is available for download.

#### Set My(support)Notification preferences

If it's your job to keep your software, systems and solutions optimized and secure, start at [www.ibm.com/mysupport](http://www.ibm.com/mysupport). Log in with your IBM ID and password. Click 'Notifications' to [subscribe to My \(support\) Notifications](#).

- Select the IBM software, hardware and services you use today and those that you are evaluating for the future.
- For each product, specify the types of information most important to you—security bulletins, flashes and news; fixes, downloads and drivers; APARs, Technotes and troubleshooting; new product publications and Webcasts, etc.
- Set your delivery preferences—email or Really Simple Syndication (RSS) feed and email frequency— daily or weekly.

Change your support profile and subscriptions as often as you like to reflect your current interests and responsibilities.
