

## List of fixed Issues – R19 HF11

IR-026580	Advanced Fillet: Surface 1 and Surface 2 label not complete ...
IR-026867	Tools - Customize: Keyboard Shortcut create able, but not executable
IR-046560	Styling Fillet: Feature changes u-direction when extrapolating input
IR-048855	Refit: Impossible to create a single cell result
IR-052455	Extrapolation: Can't create a feature with the edge of the extrapolation result
IR-053041	Patch from Curve: wrong generic naming
IR-055069	Tri-Tangent Fillet: Result jumps
IR-057891	Split Analysis: Problem with Light status when switching between CATParts.
IR-061162	Advanced Fillet: Impossible to reach G1 tolerance with certain G0 tolerances
IR-065354	Flange: Arc Length parameterization not good
IR-065394	Feature modeling: Doesn't work with specific example
IR-065581	Flange: Loss of the settings
IR-0669429	Advanced Fillet: Result counts more segments than ICEM SURF solution using the same input geometry
IR-067220	Corner Fillet: Error Message are not clear enough
IR-067657	Split Analysis: Doesn't work in a special case
IR-067879	Feature Modeling: Topology tolerance is ignored
IR-069234	Curve Blend: Error Message appears, after modify the input
IR-069468	Curve Blend: Doesn't work in a special case, Error Message appears
IR-070424	Flange: Generic Naming not correct
IR-070632	Curve Projection: Normal -> Apply is dimmed
IR-070649	Flange: Length changes - Standard contra Arc Length
IR-071616	Tools - Dashboard: Handling not correct
IR-071658	Split Analysis: Error-Message appears after upgrade
IR-073320	Split Curve: Direction from Plane is not taken
IR-073329	Light Source: Crash after switching back to ISD ( from GSD - view - light neon)
IR-073938	Advanced Fillet: Unexpected gap in special case
IR-074312	Head Impact Analysis: Command does not works in some situation
IR-074414	ISD: update error issue between HF9 & HF10.
IR-074295	Head Impact Analysis: Face damaged by analysis
IR-074579	Head Impact Analysis: Surface cannot be analyzed without converting to nurbs surface
IR-074580	Surface Conversion: Can't select the trimmed input surface
IR-074607	Smoothing: Feature Container is not cleaned out
IR-074619	Tubing: Curve selected as separate spine runs as Reference
IR-075245	Head Impact Analysis: Bad quality of result in display
IR-075529	Tubing: Moving Frame Error in special case.
IR-075713	ISO Curvature Analysis: Symmetry -> Envelope not correct

IR-075799	ICEM DB I/O: Surface broken during translation via Icem DB
IR-075822	ICEM DB I/O: Individual color information on surface is lost
IR-076138	Display Set: Pull down sometimes empty.
IR-076696	Surface Blend: create mini segment in special case
IR-077396	ICEM DB I/O: core dump during import of Icem DB
IR-077737	Feature Modeling: Modify pad, error message occurs
IR-078073	Shape Mapping: Null Handler message while editing Shape specific example.
IR-078758	Surface Blend: Manipulator not correct
IR-079521	Refit: Migration of feature doesn't work
IR-079849	Surface Checker - No Apply button available after Selection is finished.
IR-080165	Curve Blend: Can't select the input again after update error
IR-080252	High Light: Surface disappear after undo
IR-080387	Corner Fillet: "Ball Radius" is grayed out in specific case.
IR-080821	Head Impact Analysis: Certain inputs will not allow calculation
IR-081103	Surface Blend: Cannot project edge curves onto support
IR-081193	Curve Offset : self intersection & non connexity
IR-081297	Corner Fillet: Doesn't work if input is created with Brep selection
IR-081508	Surface Blend: Tension value jumps
IR-081512	Surface Blend: G1 -Angle value not displayed at the Manipulator
IR-081665	Feature Modeling: Impossible to reroute sub elements parents of Feature modeling after a replace
IR-081809	Blend Curve: Creation hooks
IR-082565	Curve Blend: Direction has influence, although it is grayed out
IR-082571	Corner Fillet: Bad error message
IR-082993	Curve Blend: Limit doesn't work (in special case)
IR-083665	Flange: Feature should not compute, if no input is selected.
IR-083807	Surface Blend: Manipulator jumps
IR-083812	Surface Blend: Direction of Angle Manipulator not correct
IR-086580	Surface Blend: Click OK to terminate in specific scenario
