Consulting Services
Consulting Services are available on a contract basis through the iSeries Technology Center (iTC) and are customized in content and length to meet specific customer requirements. Services are provided by iTC personnel with expertise in BRMS. Let us help you develop a backup and recovery strategy and customize BRMS to implement that strategy while teaching you how to use BRMS in your environment.

Standard engagements run 5 days. Note: Number of days required will depend on individual customer complexity and requirements. Please call 507-253-9025 or e-mail rchsymgt@us.ibm.com to set up a time to discuss your needs.
