NOTABILITY SOLUTIONS

FAQ

◉ **Have you gone into liquidation?**

We have separated the company to provide us with more focus in our chosen markets. We are a profit-making company, we aren't worried.

FAQ

⊙ **Have you gone into liquidation?**

We have separated the company to provide us with more focus in our chosen markets. We are a profit-making company, we aren't worried.

⊙ **I heard loads of people are leaving your company, is this true?**

No, we are only aware of one person who has left the company, which is pretty good in our industry.

FAQ

- **Have you gone into liquidation?**

  We have separated the company to provide us with more focus in our chosen markets. We are a profit-making company, we aren't worried.

- **I heard loads of people are leaving your company, is this true?**

  No, we are only aware of one person who has left the company, which is pretty good in our industry.

- **Will the new company be able to provide the services we are familiar with?**

  Yes. Our IBM platform skills and accreditations are unaffected. Same faces, same offerings, better focus.

What do we do?

- Specialist in IT Solutions
