Request Form to add Financing Services terms to the IBM Software Value Plus Reseller Agreement

Your questionnaire is subject to IBM's recruitment procedures; its receipt by IBM does not commit IBM to renew you as an IGF Financing Associate or otherwise continue any business relationship with you. IBM will be relying on the information you provide in this questionnaire in determining whether to renew you as an IGF Financing Associate. This questionnaire is a continuing one. If you are renewed as an IGF Financing Associate, and for as long as you remain one, you must promptly inform IBM of any changes to the information you provide.

By submitting this form you agree that International Business Machines Corporation (IBM) and entities within its enterprise are allowed to store and use, anywhere they do business, the information you supply in this application form and otherwise in support of your application to become an IGF Financing Associate. Such information will be used in connection with IBM's recruitment process and your appointment as a Financing Associate (if IBM decides to appoint you), and may be provided to contractors and assignees for such purposes. You acknowledge that you have the permission to provide any personal information contained in your application from the individuals to whom the information pertains and, that IBM, its contractors and assignees may use it for the purpose(s) stated in this application. Your information will be stored in databases which may be located outside of your country (or of the EU if you reside there). IBM will apply security measures required by applicable law to protect your data. You acknowledge that this application may result in the provision by you to IBM of certain sensitive personal data; you explicitly agree to IBM's use of such data as provided herein. IBM acknowledges your right to request IBM at any time to correct or update your personal data or to block or anonymize such data should it be processed in breach of the law or for purposes to which you have not consented. To make such request, please write giving reasons to your local IBM channels representative.
