

## For best printing results with your IBM 4400 Thermal Printer...

The best printing solution is achieved when the printer, ribbon and media are matched to your applications.

Genuine IBM Thermal Transfer Ribbons compliment your IBM 4400 Thermal Printer by:

- Providing optimum print and bar code quality.
- Maintaining consistent imaging performance.
- Meeting IBM 4400 factory specifications and testing requirements.

The extended ribbon length provides fewer ribbon changes and higher productivity. IBM Thermal Transfer Ribbons are available in a range of widths to meet the demanding needs of your applications.
