02N7218	Infoprint Color 8 Oil Roller Assembly	10,000

*Note: These numbers reflect an approximate average yield that has been established for each supply item indicated based on 5% coverage. These yields are not a guarantee of minimum life and are not covered under warranty, but are provided to assist in supplies planning. Actual usage should be used to establish the life of the supply product in each end user's specific application. Many factors, such as print coverage per page, paper type and size and environmental conditions can affect supply life.

IBM Printing Supplies Workgroup Product Line

Image is everything...Insist on genuine IBM Printing Supplies!

With every customer correspondence, business report, or monthly invoice you produce, your reputation is on the line. Every printed page your company produces speaks volumes about your commitment to excellence and standards for quality. First impressions make a lasting impression.

IBM® designs and manufactures a full line of printing supplies to meet high-quality standards and to deliver exceptional print quality. With IBM Printing Supplies, you get page after page of clear, sharp print at an affordable price. To optimize the performance of your IBM Workgroup Printer, use genuine IBM toner cartridges, fusers, and photoconductor supplies.

Small Planet Large Concern®

As part of a commitment IBM makes to conserve our planet's resources, we have established a supplies return program. IBM Workgroup Printer toner cartridges can be returned free of cost in most areas of the world. Simply adhere the shipping label we provide to the outside of the box and seal the used supplies product inside. Look for instructions included in the supplies products packaging for returning the used products to us.

IBM Paper and Transparencies

IBM offers a complete line of IBM Brand Paper and Transparencies that are performance guaranteed. IBM's offering of cut sheet paper includes multi-purpose, recycled multi-purpose, multi-purpose colors and brights, laser, ink jet (uncoated, coated, and specialty), and fine stationery (cotton content). Additionally, IBM provides a variety of transparency films for copiers, color copiers, monochrome laser printers, color laser printers, and ink jet printers. IBM Transparencies include unique coatings that produce crisp, clear text and graphics. IBM Brand Paper and Transparencies are designed to optimize print output and are manufactured to stringent quality standards.

Workgroup Printers Product Information

Network Printer 12

The ideal choice for personal or small workgroups, the Network Printer 12 provides high-performance at up to 12 pages per minute, 600 dpi resolution and has excellent reliability.

NEW! Infoprint 12

The Infoprint 12 is designed for superior performance and reliability for desktop or small workgroup printing. At up to 1200-dpi print quality, this printer excels at reports, spreadsheets and proposals.

Infoprint 21

Printing 1,200 dpi resolution at a rated speed of up to 21 pages per minute, the Infoprint 21 is loaded with features such as enhanced special media support, high-performance controller technology, and is ideal for e-business printing.

Infoprint Color 8

The Infoprint® Color 8 is a fast color printer, up to 8 pages per minute, designed to reliably print color documents and presentations.

Infoprint 20

The Infoprint 20 is a cost-efficient laser printer with up to 20 page per minute printing and flexible paper handling for medium to large workgroups.

Infoprint 32/40

These high-volume, heavy-duty workgroup printers, printing up to 32 and 40 pages per minute, offer full finishing options and copier-like functions.
