

SF99612: 610 All PTF Groups except Cumulative PTF Package

PTF Group Level: 3

Last Updated: 3/27/17

How to Display: WRKPTFGRP SF99612

Description: This PTF group includes all PTF groups for the current IBM i release except the Cumulative PTF Package PTF group and WebSphere MQ PTF groups. The PTF groups are included by listing them as related PTF groups. Use option 9 (Display related PTF groups) on the Work with PTF Groups (WRKPTFGRP) command to display the included PTF groups. Each time you order PTF group SF99612, only the PTFs you are missing will be downloaded, along with the most recent level of each PTF group applicable to your partition.

Updated to add related group SF99656.

Updated to remove WebSphere MQ groups SF99350 and SF99351.

Planned Update Schedule: Since the latest level of each PTF group is downloaded each time you order SF99612, this PTF group will rarely be updated; only when a PTF group is added or removed for 6.1.
