WARRANTY DISCLAIMER

The Framework and the related documentation are licensed either "AS IS", as described in the Eclipse Public License v 1.0. NO WARRANTIES ARE EXPRESSED AND NONE SHALL BE IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE OR FOR A PARTICULAR PURPOSE. GLYPHISH ICONS

The Framework is distributed with or on the same storage media as certain of the Glyphish icons created by Joseph Wain (see <http://penandthink.com>). ("Glyphish Icons"). The Glyphish Icons are subject to the Creative Commons Attribution License v.3.0, a copy of which is located in the readme file, <client_source>/SterlingMobileStore/Sample_App/Library/sms_framework_readme_v1.DOC and the information set forth below. This information and the terms and conditions apply only to the Glyphish Icons and not the Framework or other Third Party Software.

Information:

Created by Joseph Wain (see <http://penandthink.com>) at and probably downloaded from <http://glyphish.com>. This work is licensed under the Creative Commons Attribution 3.0 United States License. To view a copy of this license, visit <http://creativecommons.org/licenses/by/3.0/us/> or send a letter to Creative Commons, 171 Second Street, Suite 300, San Francisco, California, 94105, USA.

You are free to share it and to remix it under the following conditions:

- ◆ You must attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse you or your use of the work).
- ◆ For any reuse or distribution, you must make clear to others the license terms of this work. The best way to do this is with a link to <http://creativecommons.org/licenses/by/3.0/us/>
- ◆ Any of the above conditions can be waived if you get permission from the copyright holder (send me an email!).
- ◆ Apart from the remix rights granted under this license, nothing in this license impairs or restricts the author's moral rights.

ATTRIBUTION -- a note reading "icons by Joseph Wain / glyphish.com" or similar, plus a link back to glyphish.com from your app's website, is the preferred form of attribution. Also acceptable would be, like, a link from within your iPhone application, or from the iTunes store page, but those aren't as useful to other people. If none of these work for you, please contact hello@glyphish.com and we can work something out.

USE WITHOUT ATTRIBUTION -- If attribution is not possible, workable or desirable for your application, contact hello@glyphish.com for commercial non-attributed licensing terms.
