

# EMEA Chapter ODUG (OnDemand Users Group) Organizational Meeting

Please join me, OnDemand customers from EMEA, and executives and developers, at the Information On Demand Conference in EMEA on Tuesday, June 2<sup>nd</sup> from 9:00 am to 13:00 in Wing 2 of the Estrel Convention Center in Berlin, Germany for the purpose of organizing an EMEA Chapter of ODUG.

## **Purpose:**

The primary objective of the ODUG is to create an environment and network encouraging the exchange and development of information regarding Content Manager OnDemand and its associated products including communication of product needs with IBM and other vendors. IBM and outside vendor participation would be limited to those specifically invited by the ODUG.

## **Membership:**

Membership is opened to all currently licensed Content Manager OnDemand customers who have an interest in exploring and exchanging new information and ideas associated with OnDemand. Members will consist of organizations willing to share and exchange information. Customers will not be asked to exchange any information that their company regards as proprietary or confidential. There are no dues required for membership.

## **How to Register:**

For information on registering for the meeting please contact Louise Hawley, Worldwide OnDemand Sales and Technical Consultant, IBM Corporation via email to [lhawley@us.ibm.com](mailto:lhawley@us.ibm.com).
