

# SESSION ABSTRACT

## **K02 IBM Data Management Tools for OS/390**

*Dan Wardman, Director of IMS Data Management Tools, IBM*

IBM is expanding its focus and products in database tools. Come to this special, featured session to hear IBM's direction for Database Tools and how these tools can help you improve the efficiency of your IMS operations. Dan Wardman will discuss the new IMS tools that have been recently announced and shipped, and the strategy for development and integration of IMS tools.
