z/TPF Event Message Generator README

CONTENTS
_____

This file includes the following information:

1.0 PREREQUISITES
2.0 INSTALLATION
3.0 USING THE SCRIPT
4.0 NOTICES
4.1 Trademarks
4.2 Warranty

1.0 PREREQUISITES
_____

The release levels are the following:
     z/TPF 1.1 at PUT 11 or later

2.0 INSTALLATION
_____

1) Use FTP to transfer the tar file (tpfevtmsggen.tar.gz) to your linux
   system. This can be placed in any directory as a holding location,
   for example: /tmp/ztpftar

2) Create a root directory that will hold the unpacked files, for
   example: /ztpftools

3) Extract the files from the tar file by entering the
   following commands:
   cd /ztpftools
   tar -xvzf /tmp/ztpftar/tpfevtmsggen.tar.gz

The script files will be extracted in the following directory structure:

```
tpfevtmsggen
```

4) Verify that the file permissions for the tpfevtmsggen script
   allow both read and execute permissions. For example, issue
   the following command to set read and execute permissions for
   all users:
   chmod 755 tpfevtmsggen

3.0 USING THE SCRIPT
_____

Please read the user's guide, available in Portable Document Format (PDF),
provided along with this file for more information about using the script.

4.0 NOTICES
_____

This information was developed for products and services offered in the U.S.A.

IBM may not offer the products, services, or features discussed in this
information in other countries. Consult your local IBM representative for
information on the products and services currently available in your area.
Any reference to an IBM product, program, or service is not intended to
state or imply that only that IBM product, program, or service may be used.
Any functionally equivalent product, program, or service that does not
infringe any IBM intellectual property right may be used instead. However,
it is the user's responsibility to evaluate and verify the operation of
any non-IBM product, program, or service.

IBM may have patents or pending patent applications covering subject matter
described in this information. The furnishing of this information does not
grant you any license to these patents. You can send license inquiries,
in writing, to:

IBM Director of Licensing
IBM Corporation
North Castle Drive
Armonk, NY 10504-1785
U.S.A

For license inquiries regarding double-byte character set (DBCS) information,
contact the IBM Intellectual Property Department in your country or send
inquiries, in writing, to:

Intellectual Property Licensing
Legal and Intellectual Property Law
IBM Japan Ltd.
1623-14, Shimotsuruma, Yamato-shi
Kanagawa 242-8502 Japan

This information could include technical inaccuracies or typographical errors.
Changes are periodically made to the information herein; these changes will
be incorporated in new editions of the information. IBM may make improvements
and/or changes in the product(s) and/or the program(s) described in this
information at any time without notice.

Any references in this information to non-IBM Web sites are provided for
convenience only and do not in any manner serve as an endorsement of those
Web sites. The materials at those Web sites are not part of the materials for
this IBM product and use of those Web sites is at your own risk.

IBM may use or distribute any of the information you supply in any way it
believes appropriate without incurring any obligation to you.

Licensees of this program who wish to have information about it for the
purpose of enabling: (i) the exchange of information between independently
created programs and other programs (including this one) and (ii) the mutual
use of the information which has been exchanged, should contact:

IBM Corporation
Department 31BA/Building 008
Mail Drop P369
2455 South Road
Poughkeepsie, NY 12601-5400
U.S.A

Such information may be available, subject to appropriate terms and
conditions, including in some cases, payment of a fee.

4.1 Trademarks

IBM, the IBM logo, and ibm.com are trademarks of International Business
Machines Corp., registered in many jurisdictions worldwide. Other product and
service names might be trademarks of IBM or other companies. A current list of
IBM trademarks is available on the Web at "Copyright and trademark information"
at www.ibm.com/legal/copytrade.shtml.

4.2 Warranty

defect correction, or any maintenance for the package. IBM has no obligation
to supply any updates or enhancements for the package to you even if such are
or later become available.
