TPFDF PUT 19

Transaction Processing Facility Database Facility

IBM TPFDF Information Center

Welcome to the IBM TPFDF Information Center.

There are three ways to access information in this information center:

- You can select *Introduction*, *Tasks*, *Concepts*, *Reference*, or *Glossary* in the **Contents** pane at the left of the screen.
 - Selecting *Introduction* gives you access to background and new information about the product.
 - Selecting *Concepts* takes you into a structured list of the concepts underlying the product.
 - Selecting *Tasks* takes you into a structured list of the tasks involved in setting up, running, and maintaining your system.
 - Selecting *Reference* takes you into a structured list of reference information that you may need.
 - Selecting *Glossary* takes you to the glossary of the product.
- If you know that the information you require is in a specific information unit, you can
