

ABT Online assembles a consolidated IT environment with IBM

Decreases client deployment times by **50%**

ABT Online had built their IT infrastructure piece by piece over the years

But the various components didn't form a cohesive whole.

With a whole new consolidated infrastructure from IBM,

ABT Online immediately saw big-picture benefits:

It all came together with the **IBM® PureSystems® PureFlex® platform and Tivoli® Storage Manager software.**

Streamlined IT management
More time for value-added work

Deduplication feature
Decreased storage costs, latency, and timeouts

Consolidated infrastructure
Reduced business risk

A picture-perfect IT environment positions **ABT Online** for better service, easy upgrades and exponential future growth!
