Recovering your data is easier than rebuilding it. That’s why finding a solution capable of guarding your business-critical data is essential. **PARTNER** and **Tivoli** software from **IBM** have the answer.

PARTNER provides you with [PROVIDE VALUE STATEMENT OF **TIVOLI** SOLUTION PROVIDED BY **IBM** WITH **PARTNER**]. And as the industry’s most comprehensive disaster recovery solution, Tivoli protects from the damage of user error and natural disasters, among others, by providing:

- Data back-up, protection and recovery
- A centralized and detailed written recovery plan you can access from virtually anywhere
- Automated recovery, tracking and restoration of destroyed systems and data
- Tracking of off-site volumes

Come and learn how **PARTNER** can help your company build a comprehensive and effective disaster recovery plan by attending our seminar.

Please RSVP by **DATE** by faxing the enclosed registration form to **XXX-XXX-XXXX** or calling **XXX-XXX-XXXX** and mentioning invitation code **XXXXXX**. Or you may register online at **www.tivoli.com/storage/TBD**.
