Seminar: WebSphere Everyplace Access

Item: Seminar Welcome Letter

Attached is a sample welcome letter you can customize with your own information.

Dear WebSphere Everyplace Access Customer,

Thank you for joining us today for the WebSphere Everyplace Access seminar. We are certain that you will find this seminar enlightening and confident you will learn how IBM's WebSphere Everyplace Access offering extends the reach of e-business applications and Internet content for voice and wireless interaction.

Do you have mobile employees who will benefit from this offering because access to business data from anywhere can improve employee productivity? Do you want to give your customers more self-service capabilities, expand their markets and help reduce operational costs?

IBM WebSphere Everyplace Access is a quick-to-market solution designed to drive e-business mind share at all levels. We are certain that during this seminar you will learn how WebSphere Everyplace Access can help make your e-business accessible, when and where you need it to be.

I am glad that you were able to join us today for the WebSphere Everyplace Access seminar!

Sincerely,

Business Partner Executive
