

## Education for IBM DB2 and Business Intelligence products

Business Partners interested in earning a **DB2 Universal Database** or **Business Intelligence** certification should take the following path:

| Course/Test Code  | Course/Test Name                    | Duration | Price(U.S.\$)* |
|---|-------------------------------------|----------|----------------|
| <b>1. General</b> -- Take the following courses, pass test 512, then choose Administration, Application Development, or Business Intelligence |                                     |          |                |
| CF030   | DB2 Family Fundamentals             | 2 Days   | 625            |
| CF120   | DB2 SQL Workshop                    | 2 Days   | 730            |
| Test 512  | DB2 Universal Database Fundamentals | .5 Days  | 120            |

**2 a. DB2 Administration** -- Pass test 512 above, select *one* of the following courses, then pass test 513 to earn a certification

|          |  |         |       |
|----------|--|---------|-------|
| CF231    | DB2 Universal Database Administration Workshop for Windows NT  | 4 Days  | 1,565 |
| CF211    | DB2 Universal Database Administration Workshop for UNIX        | 4 Days  | 1,565 |
| CF201    | DB2 Universal Database Administration Workshop for Linux       | 4 Days  | 1,565 |
| CF271    | DB2 Universal Database Administration Workshop for Sun Solaris | 4 Days  | 1,565 |
| Test 513 | DB2 Universal Database Administration                          | .5 Days | 120   |

Resulting Certification: IBM Certified Solutions Expert -- DB2 Universal Database Administration

**2 b. DB2 Application Development** -- Pass test 512 above, take the following courses, then pass test 514 to earn a certification

|          |   |         |       |
|----------|---|---------|-------|
| CF103    | DB2 Universal Database Programming Fundamentals | 2 Days  | 795   |
| CF113    | DB2 Universal Database Advanced Programming     | 3 Days  | 1,195 |
| Test 514 | DB2 Universal Database Application Development  | .5 Days | 120   |

Resulting Certification: IBM Certified Solutions Expert -- DB2 Universal Database Application Development

**2 c. Business Intelligence** -- Pass test 512 above, take the following courses, then pass test 515 to earn a certification

|                |                                 |          |       |
|----------------|---------------------------------|----------|-------|
| DW110          | Building the Data Warehouse     | 4.5 Days | 1,645 |
| White Paper ** | IBM's Data Mining Technology    | n/a      | Free  |
| Test 515       | Business Intelligence Solutions | .5 Days  | 120   |

Resulting Certification: IBM Certified Solutions Expert -- Business Intelligence

## Business Intelligence Courses from IBM Learning Services

### IBM DB2 OLAP Server

| Course Code<br>Price(U.S.\$)* | Course Name                                   | Duration |       |
|-------------------------------|---|----------|-------|
| DW600                         | DB2 OLAP Server: Up and Running               | 4 Days   | 1,625 |
| DW610                         | DB2 OLAP Server:<br>Administration and Tuning | 3 Days   | 1,295 |
| DW630                         | DB2 OLAP Server: Partitioning                 | 2 Days   | 945   |

### DB2 Warehouse Manager

| Course Code<br>Price(U.S.\$)* | Course Name   | Duration |       |
|-------------------------------|---|----------|-------|
| DW450                         | DB2 Universal Database Warehouse<br>and OLAP Functions Workshop | 4 Days   | 1,155 |
| DW460                         | DB2 Warehouse Manager Workshop                                  | 4 Days   | 1,545 |

Specialty: Complete DW450 and DW460 to earn a DB2 Warehouse Manager Technical Specialty

### DB2 Intelligent Miner for Data

| Course Code<br>Price(U.S.\$)* | Course Name                | Duration |       |
|-------------------------------|----------------------------|----------|-------|
| DW361                         | Intelligent Miner Workshop | 4 Days   | 2,260 |

To enroll in the above courses or to get more information on IBM training, please call IBM Learning Services at 1-800-IBM-TEAC, or visit the IBM Learning Services Web site at [www.ibm.com/services/learning/lsweb/search](http://www.ibm.com/services/learning/lsweb/search)
