

IBM Program usage and installation report instructions

## **Openpages Help Guide**

Please see below the instructions for additional help in collecting deployment information for your IBM Software.

### **Instructions:**

Authorized users:

1. Provide version information of the product currently deployed in the environment.
2. Provide the list of users with access to Open Pages as well as the edition (ex: Business, Administrator, Survey, etc.) of the product they have access to from the 'Users, Groups and Domains' page under Administration view.

Application:

1. Please provide the screenshots/text file of the following -  
Listing of users and their associated profiles
