# Preface

This document describes how to install and run the Rational Unified Process (RUP) on UNIX.

This release includes three variants of our product—the standard RUP®, the RUP with IBM content for e-business, and the RUP with content for the Microsoft Web Solution Platform.

## Audience

---

This guide is intended for all readers, including managers, project leaders, analysts, developers, testers, and system administrators who will be installing this product.

## Other Resources

---

For more information on training opportunities, see the Rational University Web site: <http://www.rational.com/university>.

## Contacting Rational Technical Publications

---

To send feedback about documentation for Rational products, please send e-mail to our technical publications department at [techpubs@rational.com](mailto:techpubs@rational.com).

## Contacting Rational Technical Support

---

If you have questions about installing, using, or maintaining this product, contact Rational Technical Support as follows:

Your Location	Telephone	Facsimile	E-mail
North America	(800) 433-5444 (toll free) (408) 863-4000 Cupertino, CA	(781) 676-2460 Lexington, MA	support@rational.com
Europe, Middle East, Africa	+31 (0) 20-4546-200 Netherlands	+31 (0) 20-4546-201 Netherlands	support@europe.rational.com
Asia Pacific	+61-2-9419-0111 Australia	+61-2-9419-0123 Australia	support@apac.rational.com
World Wide Web	www.rational.com	Note: use the <b>Feedback</b> link to go to that page.	

**Note:** When you contact Rational Technical Support, please be prepared to supply the following information:

- Your name, telephone number, and company name
- Your computer's make and model
- Your operating system and version number
- Product release number and serial number
- Your case ID number (if you are following up on a previously-reported problem)

# Installing the Rational Unified Process

# 1

## Hardware and Software Requirements

---

### System Requirements

Supported UNIX platforms: Solaris, HP-UX, AIX, SGI/IRIX, Compaq Tru64

90 MB disk space

### Required Supporting Software

We recommend you use Netscape Navigator version 4.x or later.

**Note:** RUP does not support Netscape version 6.x.

## Installing the RUP

---

The installation procedure extracts the selected variant “.tar” file on your hard drive. It creates directories for both the RUP and the Project Web Site example.

### Installing the standard RUP

- 1 Create a directory on your hard drive where you wish to install Rational products (for example, .../rational)
- 2 Copy the compressed tar file “rup\_2001a\_04\_00\_gen.tar” from the RUP UNIX CD to the directory created in step 1. Extract the compressed tar file “rup\_2001a\_04\_00\_gen.tar” as follows:  

```
tar -xvf rup_2001a_04_00_gen.tar
```
- 3 To start the RUP, open the following file:  

```
.../rational/rup_2001a_04_00_gen/index.htm
```

## Installing the RUP with IBM content for e-business

- 1 Create a directory on your hard drive where you wish to install Rational products (for example, `.../rational`)
- 2 Copy the compressed tar file “`rup_2001a_04_00_ibm.tar`” from the RUP UNIX CD to the directory created in step 1. Extract the compressed tar file “`rup_2001a_04_00_ibm.tar`” as follows:

```
tar -xvf rup_2001a_04_00_ibm.tar
```

- 3 To start the RUP, open the following file:  
`.../rational/rup_2001a_04_00_ibm/index.htm`

## Installing the RUP with content for the Microsoft Web Solution Platform

- 1 Create a directory on your hard drive where you wish to install Rational products (for example, `.../rational`)
- 2 Copy the compressed tar file “`rup_2001a_04_00_ms.tar`” from the RUP UNIX CD to the directory created in step 1. Extract the compressed tar file “`rup_2001a_04_00_ms.tar`” as follows:

```
tar -xvf rup_2001a_04_00_ms.tar
```

- 3 To start the RUP open the following file:  
`.../rational/rup_2001a_04_00_ms/index.htm`

# Release Notes

# 2

View the file `relnotes.htm`, which is stored on the Installation CD in the `rup_2001a_04_00` directory.
