

United States National ID

```
graph LR; Example[Example] --> ID[United States National ID]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'United States National ID'. The box on the right is gray with a black border and contains the text 'Example'. A blue arrow points from the right side of the 'Example' box to the left side of the 'United States National ID' box.
