

Affinity (Column Transformation)

Example

```
graph LR; Example[Example] --> Affinity[Affinity (Column Transformation)];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Affinity (Column Transformation)'. The box on the right is gray with a black border and contains the text 'Example'. A blue arrow points from the right side of the 'Example' box to the left side of the 'Affinity (Column Transformation)' box, indicating a directional relationship or flow from the example to the concept.
