Reporting Tool Change

Effective for CIMS Mainframe 12.2.1, CIMS Report Writer is no longer provided with the product. If you would like to continue to use the reporting functionality provided by CIMS Report Writer with CIMS Mainframe, contact Pacific Systems.

CIMS Mainframe 12.2 and earlier will continue to support CIMS Report Writer.

Using Tivoli Usage and Accounting Manager Web-Based Reporting

CIMS Mainframe can generate data that can be used by the Tivoli® Usage and Accounting Manager Web Reporting program. This powerful, Web-based program enables you to generate and view invoices and a wide variety of other reports containing data from your mainframe systems in a flexible and easy-to-use Web browser environment.

For more information about Tivoli Usage and Accounting Manager, contact your IBM representative, an IBM® Business Partner, or IBM Americas Call Centers at 800-IBM-CALL.

Publications

The following publications are available for CIMS Mainframe Data Collector and Chargeback System 12.2.1:

- *CIMS Mainframe Data Collector and Chargeback System User Guide*. Provides information about how to configure and use CIMS Mainframe Data Collector and Chargeback System.
- *CIMS Mainframe Data Collector and Chargeback System Installation and Upgrade Guide*. Provides information about installing and setting up CIMS Mainframe Data Collector and Chargeback System.
- *CIMS CICS Data Collector User Guide*. Provides information about configuring and running CIMS CICS® Data Collector.

Notices

This information was developed for products and services offered in the U.S.A. IBM may not offer the products, services, or features discussed in this document in other countries. Consult your local IBM representative for information on the products and services currently available in your area. Any reference to an IBM product, program, or service is not intended to state or imply that only that IBM product, program, or service may be used. Any functionally equivalent product, program, or service that does not infringe any IBM intellectual property right may be used instead. However, it is the user's responsibility to evaluate and verify the operation of any non-IBM product, program, or service.

IBM may have patents or pending patent applications covering subject matter described in this document. The furnishing of this document does not give you any license to these patents. You can send license inquiries, in writing, to:

IBM Director of Licensing

IBM Corporation

North Castle Drive

Armonk, NY 10504-1785

U.S.A.

For license inquiries regarding double-byte (DBCS) information, contact the IBM Intellectual Property Department in your country or send inquiries, in writing, to:

IBM World Trade Asia Corporation

Licensing

2-31 Roppongi 3-chome, Minato-ku

Tokyo 106, Japan

The following paragraph does not apply to the United Kingdom or any other country where such provisions are inconsistent with local law:

INTERNATIONAL BUSINESS MACHINES CORPORATION PROVIDES THIS PUBLICATION "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow disclaimer of express or implied warranties in certain transactions, therefore, this statement might not apply to you.

This information could include technical inaccuracies or typographical errors. Changes are periodically made to the information herein; these changes will be incorporated in new editions of the publication. IBM may make improvements and/or changes in the product(s) and/or the program(s) described in this publication at any time without notice.

Notices

Any references in this information to non-IBM Web sites are provided for convenience only and do not in any manner serve as an endorsement of those Web sites. The materials at those Web sites are not part of the materials for this IBM product and use of those Web sites is at your own risk.

IBM may use or distribute any of the information you supply in any way it believes appropriate without incurring any obligation to you.

Licenses of this program who wish to have information about it for the purpose of enabling: (i) the exchange of information between independently created programs and other programs (including this one) and (ii) the mutual use of the information which has been exchanged, should contact:

IBM Corporation

2Z4A/101

11400 Burnet Road

Austin, TX 78758

U.S.A.

Such information may be available, subject to appropriate terms and conditions, including in some cases payment of a fee.

The licensed program described in this document and all licensed material available for it are provided by IBM under terms of the IBM Customer Agreement, IBM International Program License Agreement or any equivalent agreement between us.

All statements regarding IBM's future direction or intent are subject to change or withdrawal without notice, and represent goals and objectives only.

Trademarks

IBM, CICS, and Tivoli are trademarks of International Business Machines Corporation in the United States, other countries, or both.

Other company, product, or service names may be trademarks or service marks of others.
