

**Free 10-day trial of VDI**

**tryVDI**

# What is tryVDI?

Pulsar are the market leaders for VDI solutions. We have been implementing successful VDI projects since 2005 sectors including The NHS, banking, central/local government, police, manufacturing, and media. You can be confident that we have the professionalism, skills, and experience to safely guide you through your VDI project.

**tryVDI** is a 10-day free trial of VDI. Once requested, you will be given a username and password that allows access to a virtual desktop hosted in our Pulsar **tryVDI** facility. This gives you the ability to take VDI for a test drive. The machine you will have access to is comparable to the end-user experience our clients enjoy.

**tryVDI** includes;

- Free login access to a virtual desktop hosted in Pulsar's **tryVDI** facility
- Full access to internet browser and Microsoft applications
- Comparison between two connection brokers using ICA and RDP protocols
- Access for up to 10 days

For prices and to order your free 10-day trial of VDI  
please call 02392 63 30 45 or email [info@pulsardesktop.co.uk](mailto:info@pulsardesktop.co.uk)
