

Top 5 Reasons to Buy DS5000™ Control Unrelenting Change

IBM System Storage DS5000

1. Built-in future proofing minimizes technology risk, extends useful life

- First 8 Gb FC / 10 Gb iSCSI “ready” product in the market
- Seamlessly adapts to changing business and technology needs

2. Scalable performance to match growing database-driven applications

- Linear scaling performance for Oracle, SAP, SQL Server, Exchange
- Continues to meet SLAs through relentless growth
- Designed for the diverse and concurrent workloads created by VMware

3. Significant compatibility and integration with

- IBM eServer™, xSeries® and pSeries® servers (e.g. HACMP™)

4. Spend less on your storage and the power to run it

- Performance efficiency allows you to do more with less – lowering acquisition cost, support costs and environmental costs.

5. Datacenter support for a scalable modular package

- Full IBM support ecosystem – certified installation, onsite and remote support, proactive diagnostics
- Complete solutions from one trusted vendor. One stop shop for Servers, Tape, Disk, SAN and Applications.
