

Software withdrawal: IBM VisualAge Pacbase V3.0 features – Replacement available

Overview

Effective January 9, 2004, IBM will withdraw from marketing VisualAge® Pacbase V3.0 features listed in the **Feature withdrawals** section, licensed under the IBM Customer Agreement (ICA).

Replacement product information

Withdrawn features	Replacement program	Program number
Refer to the Feature withdrawals section	VisualAge Pacbase V3.5	5655-F37

For additional information on migration principles, refer to VisualAge Pacbase V3.5 Software Announcement 203-003, dated January 14, 2003.

This announcement is provided for your information only. For additional information, contact your IBM representative, call 800-IBM-4YOU, or visit the IBM home page at: <http://www.ibm.com>.
