

New Hanover County, North Carolina

David Butts
Technology Development Manager

NHC Web Applications

- **Since 1999, New Hanover County has published 5 applications, with a 6th currently in Beta**
 1. A 5250 Inspections Inquiry system for Builders & Contractors
 2. A 3270 Real Estate Tax Record Inquiry for the Public & Realtors (with link to GIS maps)
 3. A 3270 Health Inspection Inquiry for Public
 4. A 5250 Street Index primarily for local government internal use
 5. A 5250 Inspection Request system for Builders & Contractors.
(**Enhanced System** using the 5250 application and a MS SQL Server database is in Beta and features real time scheduling, online payment, and activity summary)
- **Results:**
 - Inspections Request and Tax Record Inquiry pages are the most heavily used
 - Rave reviews from the Public, the Realtors, and the Builders
 - Significant reduction in internal workload
 - The Web-based GIS maps are seamlessly integrated with Host Publisher
- **Next Effort:**
 - CICS Tax Application “Green Screens” on the Web using **Host Access Transformation Server (HATS)** which will further reduce telephone inquiries

* Service offered through Official Payments Corp. who will charge a convenience fee.

New Hanover County makes every effort to provide Tax data to its Citizens over the Web on a continual basis, however, there are normal maintenance procedures that are required to insure that the data is accurate and up-to-date. **Tax data will normally be unavailable during the times listed below:**

Nightly:	Tuesday through Friday	6PM to 10PM
Weekly:	Monday	Overnight (6PM to 8AM)
Monthly:	One night (usually between the 5th and the 10th)	Overnight (6PM to 8AM)

Other unscheduled maintenance may be required at times, but the County will make every effort to minimize these interruptions of service.

DISCLAIMER

The information on this Web Site is obtained from the New Hanover County computer systems which are maintained for the internal use of the County. The County relies upon this data for conduct of County business. The County makes no warranty, expressed or implied, concerning its accuracy and completeness and users are advised that their use of any County data is at their own risk. The County assumes no responsibility for any decision made or any actions taken by the user based upon information obtained from this Web Site. The user agrees that the County shall be held harmless from all actions, claims, damages or judgments arising out of the use of County data.

New Hanover County Health Department Environmental Health Division Current Inspections Search Results

Facilities which have been recently permitted do not have a numerical grade. Restaurants, Foodstands, Institutional Foodservice, School Lunchrooms (public and private) are issued a numerical grade. Meat Markets, School Buildings, Hospitals, Rest/Nursing Homes, Lodging, Bed & Breakfast Homes and Inns are issued a numerical and letter grade. Mobile Food Units, Pushcarts, Limited Foodservice, Seafood Market and Vehicles, Tattoo and Body Piercing Artists do not receive a numerical or letter grade during inspections. Child Care Centers and Local Confinements are evaluated by a demerit and classification system. No Inspection Inspection Results will display if Establishment is new.

CODE ENFORCEMENT SERVICES INSPECTION REQUEST AND ONLINE PAYMENT

New Hanover County Code Enforcement Services makes every effort to produce and publish the most current and accurate information possible. No warranties, implied or expressed are provided for the data herein, its use or its interpretation.

Customers that would like to pay for inspections using a bank account (checking or savings) must register first. Once registered you will have the ability to set up a profile that will retain payment information for future use. Credit Card Customers are not required to register, but registration is necessary if you would like the ability to set up a profile that will retain payment information for future use. A profile stores bank account numbers and credit card numbers so you do not need to rekey them each time you make a payment. Also, use Register for registration/profile maintenance.

Host Integration Values

- **Enhanced responsiveness by extending information and services to new & existing users**
- **Build on existing application logic and data**
- **"Webify" without coding - No application rewrite, lower cost, lower risk**
- **Results:**
 - Improved responsiveness
 - More timely information
 - Expanded hours of availability
 - Improved clerical productivity
 - Employee driven apps become self service apps
- **Solve today's information requirements with yesterday's applications**
- **Build composite applications from existing data sources**
- **Results:**
 - Quick implementation, responsiveness,
 - Immediate ROI, cost effectiveness
 - Improve employee productivity
- **Modernize and streamline existing applications with graphical interface**
- **Results:**
 - Lower training costs
 - Lower help desk support costs
 - Reduce error rates and speed data entry
