For IBM product 8335 GCA

Date - May 4, 2018

Reference: NSF/ANSI 426 - 2017 Environmental Leadership and Corporate Social Responsibility Assessment of Servers

The product cited does not contain parts using a postconsumer recycled resin.

The information here is based on IBM's knowledge as of the date of this document, which may be based on its records and information from third parties. This documentation applies to finished products that IBM puts on the market for the first time in the jurisdictions which require this Declaration for the EPEAT standard.

Limitations for Customers: The Product information provided in this Declaration ("Documentation") is provided "AS IS", without any express or implied warranty of any kind. This information is subject to change without notice; provided, however, that IBM reserves the right, in its discretion, to issue an update or modification to this Documentation if it believes it is appropriate to do so. The contents of this Documentation do not constitute either: (1) legal advice; (2) a legal opinion; or (3) any representation, warranty, or guarantee regarding a person's ability to comply with applicable legal requirements. This Documentation in no way modifies any agreements entered into by IBM.
