

License agreement for machine code

Lenovo recently acquired the IBM x86 server business and has assumed the responsibility for the acquired products.

The license agreement terms for the machine code on this product are as follows:

- Notwithstanding any references to IBM in the license documents associated with this product, the License Agreement for the Machine Code on this product is between you and Lenovo.
- The Lenovo License Agreement for Machine Code is available in multiple languages at:
<http://www.lenovo.com/license> .

First Edition, October 2014.
