## Common FRU Part Numbers

| Customer Replaceable Units (CRUs) |                                     |
|-----------------------------------|-------------------------------------|
| 49Y5357                           | Air baffle kit                      |
| 43V7070                           | Backplane, SAS 4 HDD                |
| 33F8354                           | Battery, 3V Lithium                 |
| 49Y5413                           | Bezel, 12 HDD bays                  |
| 49Y4817                           | Cable management arm                |
| 46M6447                           | Cable, HDD config (12 HDD)          |
| 46M6441                           | Cable, HDD power (4 HDD)            |
| 46M6443                           | Cable, HDD power (8 HDD)            |
| 46C4139                           | Cable, operator panel               |
| 49Y5399                           | Cable, SAS signal, 345mm            |
| 49Y5397                           | Cable, SAS signal, 775mm            |
| 46C4146                           | Cable, USB/video                    |
| 49Y4824                           | CD/DVD drive bay filler             |
| 43V7073                           | Ethernet card                       |
| 49Y5362                           | Fan cage                            |
| 49Y5361                           | Fan, HS, dual 80mm                  |
| 44T2248                           | Filler, HS HDD (1 HDD)              |
| 49Y5368                           | Labels, chassis                     |
| 49Y5454                           | Labels, system service              |
| 49Y5358                           | Miscellaneous parts kit             |
| 44E4372                           | Operator panel asm                  |
| 43V7063                           | PCIe riser asm, 2x8                 |
| 49Y4821                           | Power supply bay filler             |
| 39Y7201                           | Power supply, 675 W                 |
| 49Y5412                           | Rack latch kit                      |
| 43V7067                           | SAS riser                           |
| 46M0908                           | 6Gb SAS HBA                         |
| 46M0913                           | 6Gb SSD HBA                         |
| 43W4342                           | ServeRAID-MR10i battery             |
| 44E8763                           | ServeRAID-MR10i battery carrier kit |
| 43W4297                           | ServeRAID-MR10i adapter             |
| 49Y4816                           | Slide rail kit                      |
| 49Y5363                           | Top cover                           |
| 46C7528                           | Virtual-media key                   |

### Field Replaceable Units (FRUs)

|         |                      |
|---------|----------------------|
| 49Y4822 | CPU retention module |
| 43V7072 | System board         |
| 49Y4820 | Heat sink            |
| 49Y5366 | Chassis asm          |

For microprocessor, memory DIMM, and hard drive FRU numbers, refer to the label on the component or the *Problem Determination and Service Guide* on the web. This system contains consumable and other non-warranted parts (some included in the list above) which are not covered by the IBM Statement of Limited Warranty. Please see the PDSG for full listing of these parts.

Red Outline is for Die Cut ONLY!

115 mm

### MANUFACTURING NOTES:

1. Graphics shall conform to the Artwork above.
2. Ink colors to match PMS BlackC and PMS 2718C.
3. Refer to label print part number 49Y5452 for manufacturing and material notes.

Must conform to Eng. Spec: 80X2324  
Tolerances unless noted: Linear  $\pm$  0.3
