Option (Server) Packaging Instructions: PKG BOM 01R3836 - **HS40** blade bezel

Table of Contents

Section 1 - Unit Packaging

Section 2 - Manufacturing Palletization

Section 3 - Distribution

Section 4 - Material Listing (BOM)

Section 1 - Unit Packaging

1. 0 Place the bezel in bubble wrap part # 6934015 as shown.

1.1 Roll the bezel up in the bubble wrap as shown.

1.2 Place into carton # 25P1254.

1.3 Close flaps and seal with logo tape 74F5698.

Section 2: Manufacturing Palletization

2.1 - Worldwide Palletization

2.1.1 Place 210 Cartons on a 40 x 48 full size pallet (6038887)

2.1.2 - Secure load to pallet utilizing "Best of Breed" palletization methods. See 92F6168 - "Best of Breed" Pallet Unitization or QMX document P-04146.

2.1.3 - Place two pallet labels (33G6283) on the front and left sides of the pallet load.

2.2 - EMEA Palletization

2.2.1 - Place 168 cartons on a 1200 x 1000 block-style, full-size pallet (7310275)

2.2.2 - Secure load to pallet utilizing "Best of Breed" palletization methods. See 92F6168 - "Best of Breed" Pallet Unitization or QMX document P-04146.

2.2.3 - Place two pallet labels (33G6283) on the front and left sides of the pallet load.

Section 3 - Distribution

3.1 Utilize a full pallet or half pallet when order quantities justify palletization.

3.2 Individual or multipack shipments are also acceptable if order quantities are low.

Section 4 - Material Listing (BOM)

Packaging BOM 01R3836	
Unit Carton	25P1254
Bubble Wrap	6934015
