

ClusterProven																	
ClusterProven provides Service and Support easy access to adapter and BladeCenter I/O module compatibility for nodes and																	
BladeCenter chassis installed in IBM Cluster 1350 and iDataPlex solutions. Compatibility is provided only for the specialized																	
adapters and I/O modules brought into the business exclusively for these solutions and may not appear on ServerProven.																	
For node and BladeCenter compatibility of general purpose adapters and I/O modules, please refer to the IBM ServerProven website.																	
(http://www.ibm.com/servers/eserver/serverproven/compat/us)																	
This table is not a statement of current release support. Some items listed may no longer be available.																	
Note: 'X' denotes support																	
Server Node Compatibility
